Budget Notes & Highlights

- 1 The Board of County Commissioners (BOCC) has adopted a budget that includes increases in ad valorem revenue due to increases in property values. Countywide ad valorem taxes increased by \$1,019,375, dependent special fire control districts ad valorem taxes increased by \$63,302 and MSTU voted debt service ad valorem taxes increased by \$39,818. These adopted budget calculations are based on the final adopted millage and the DR-420 Certification of Taxable Value forms.

The BOCC maintained the same Countywide millage rate as the prior year with the funding increase being used for various factors including, but not limited to:

- County's professional service agreements
- Cost of living pay increases
- Health insurance elections
- Sheriff's budget
- County Jail's budget
- Clerk to Board's budget
- Park funding
- Landfill long term care cost
- Retirement cost
- Elected official pay increases
- Workers compensation and property insurance

All Dependent Special Fire Control Districts maintained the same millage rate as the prior year. The St. Joseph Fire Control District's millage includes 0.1000 mill that was designated by the BOCC to help fund communication needs with the adoption of the FY2015-2016 budget.

- 2 The final budget of Gulf County has been adopted at \$54,193,473. Ad Valorem Taxes fund 23.63% of the total budget.
- 3 State and federal grant funds of \$7,892,228 make up 14.56% of the total budget.
- 4 Public Safety related expenditures total 18.90% (\$10,243,957) of the adopted budget. Included in this category are: Law Enforcement, Fire Control, Detention and Correction, Protective Inspections, Emergency and Disaster Relief, Ambulance and Rescue Services, and Medical Examiners. Approximately 14% of these expenditures are funded by user fees, with the remainder being funded by a combination of ad valorem taxes, state shared revenues, grants, court-related revenues, and cash carried forward.
- 5 Transportation related expenditures total 13.32% (\$7,220,206) of the adopted budget. Included in this category are: Road & Street Facilities and Other Transportation Systems/Services. Approximately 55% of these expenditures are grant funded and 20% are funded by the available 2015 Series Bond proceeds. The remainder is funded by a combination of ad valorem taxes, fuel taxes, state shared revenues, and cash carried forward.
- 6 Fund Presentation: A separate budget is shown for General Fund and Public Works for display purposes only. Public Works is part of the General Fund.

Budget Notes & Highlights

Debt Service Funds: (1) Fund 203 Public Improvement Debt Service Fund is for the 2015 Gas Tax Road Bonds. (2) Fund 204 MSTU Debt Service Fund is for the 2016 Ltd. Ad Valorem (MSTU) Bond for the voted debt service portion of the proposed beach renourishment project. (3) Fund 205 Non-Ad Valorem Debt Service Fund is for the 2016 Covenant to Budget and Appropriate (CBA) Bond for the countywide non-ad valorem revenue portion of the proposed beach renourishment project.

Capital Projects Fund: Fund 301 Capital Projects Fund was re-established by the BOCC with the FY2015-2016 budget. This fund is intended to move large capital expenditures and reserves out of the General and Public Works Funds and improve financial planning for capital outlay needs.

- 7 "Cash to be carried forward for working capital" is necessary to finance the FY2017-2018 budget until property tax distributions are received. The County normally receives its first distribution from the Tax Collector in the second half of November. The County would not be able to pay their employees and vendors timely without an adequate provision for working capital. Taxpayers are under no obligation to pay property taxes early.
- 8 Restricted reserves in the General Fund include various restricted/designated funds that are not otherwise budgeted for operations. This includes funds such as the Landfill Escrow required by the State of Florida; the 2006 Gas Tax Bond Reserve released in 2015; the unobligated portion of the Beach Renourishment Project funds from FY2015-2016; restricted court revenues; etc.
- 9 The Health Department budget includes private donations of \$23,461.
- 10 The County's revenues from 1st Local Option Fuel Tax, Constitutional Fuel Tax, and County Fuel Tax are pledged for payment of the 2015 Gas Tax Revenue Refunding Bonds through 2035. The 2015 Series Bond released the County from the \$1 million bond reserve required under the 2006 Series. These funds were transferred to General Fund and are included in the budget as Restricted Cash Carried Forward and Restricted Reserves. The reserve requirements of the 2015 Series Bond have been fulfilled with the purchase of applicable bond insurance.
- 11 All funds remaining in the CDBG Raffield's Fund were loaned to The Port Authority in FY2010-2011. This note was modified in August 2014 to secure the note with the Arizona Chemical Site and provide additional funding of \$120,000, funded by economic development funds within the Industrial Park Fund. This modification included the original note and accrued interest (\$217,452.67), plus new funding of \$120,000 paid in two equal installments in August 2014 and August 2015. The total Mortgage Note of \$337,452.67 carries a 3% per annum interest rate and is due and payable on July 21, 2024, with annual payments of \$10,000.00 beginning August 21, 2017.
