Re: Rescheduled or Deleted Project(s) from the Adopted Fiscal 2016-2019 Work Program  
Changes made to the Tentative Fiscal 2016-2020 after the Work Program Public Hearing

Dear Chairman McDaniel:

According to Florida Statute 339.135, the Department of Transportation must provide written justification to the planning organization of any project that is a part of the MPO's Transportation Improvement Program (TIP) and in the last four years of the previously adopted Work Program (Fiscal Years 2016-2019) that has been proposed to be rescheduled or deleted.

There were no projects rescheduled or deleted in Gulf County. All changes were presented at the Work Program Public Hearing on December 2, 2014. Any objections are due to the District by Wednesday, January 21, 2015.

Since the Work Program Public Hearing, there are no additional changes to the Work Program that have occurred including those related to the most recent Revenue Estimating Conferences.
