Letter of Agreement

THIS LETTER OF AGREEMENT made and entered into in duplicate on the _____ day of _____ 2013, by and between Gulf County (the County), and the State of Florida, through its Agency for Health Care Administration (the Agency),

1. Per Senate Bill 1500, the General Appropriations Act of State Fiscal Year 2013-2014, passed by the 2013 Florida Legislature, County and the Agency, agree that County will remit to the State an amount not to exceed a grand total of \$278,743.
 - a. The County and the Agency have agreed that these funds will only be used to increase the provision of health services for the Medicaid, uninsured, and underinsured people of the County and the State of Florida at large.
 - b. The increased provision of Medicaid, uninsured, and underinsured funded health services will be accomplished through the following Medicaid programs:
 - i. The Disproportionate Share Hospital (DSH) program.
 - ii. The removal of outpatient reimbursement ceilings for teaching, specialty and community hospital education program hospitals.
 - iii. The removal of outpatient reimbursement ceilings for hospitals whose charity care and Medicaid days as a percentage of total adjusted hospital days equals or exceeds 11 percent.
 - iv. The removal of outpatient reimbursement ceilings for hospitals whose Medicaid days, as a percentage of total hospital days, exceed 7.3 percent, and are trauma centers.
 - v. Inpatient DRG add-ons for teaching, specialty, children's, public and community hospital education program hospitals; hospitals whose charity care and Medicaid days as a percentage of total adjusted hospital days equals or exceeds 11 percent; or hospitals whose Medicaid days, as a percentage of total hospital days, exceed 7.3 percent, and are trauma centers.
 - vi. The annual cap increase on outpatient services for adults from \$500 to \$1,500.
 - vii. Medicaid Low Income Pool (LIP) payments to rural hospitals, trauma centers, specialty pediatric hospitals, primary care services and other Medicaid participating safety-net hospitals.
 - viii. Medicaid LIP payments to hospitals in the approved appropriations categories.
 - ix. Medicaid LIP payments to Federally Qualified Health Centers.

- x. Medicaid LIP payments to Provider Access Systems (PAS) for Medicaid and the uninsured in rural areas.
 - xi. Medicaid LIP payments for the expansion of primary care services to low income, uninsured individuals.
2. The County will pay the State an amount not to exceed the grand total amount of \$278,743. The County will transfer payments to the State in the following manner:
 - a. The first quarterly payment of \$69,688 for the months of July, August, and September is due upon notification by the Agency.
 - b. Each successive payment of \$69,685 is due as follows, November 30, 2013, March 31, 2014 and June 15, 2014.
 - c. The State will bill the County each quarter payments are due.
 3. Timelines: This agreement must be signed, submitted, and received to the Agency no later than October 1, 2013, for self-funded exemptions, buybacks and DRG add-ons, to be effective for SFY 2013-2014.
 4. Attached are the DSH and LIP schedules reflecting the anticipated annual distributions for State Fiscal Year 2013-2014.
 5. The County and the State agree that the State will maintain necessary records and supporting documentation applicable to Medicaid, uninsured, and underinsured health services covered by this Letter of Agreement. Further, the County and State agree that the County shall have access to these records and the supporting documentation by requesting the same from the State.
 6. The County and the State agree that any modifications to this Letter of Agreement shall be in the same form, namely the exchange of signed copies of a revised Letter of Agreement.
 7. The County confirms that there are no pre-arranged agreements (contractual or otherwise) between the respective counties, taxing districts, and/or the providers to re-direct any portion of these aforementioned Medicaid supplemental payments in order to satisfy non-Medicaid, non-uninsured, and non-underinsured activities.
 8. The County agrees the following provision shall be included in any agreements between the County and local providers where funding is provided for the Medicaid program. Funding provided in this agreement shall be prioritized so that designated funding shall first be used to fund the Medicaid program (including LIP) and used secondarily for other purposes.
 9. The Agency will reconcile the difference between the amount of the IGTs used by or on behalf of individual hospitals' buybacks of their Medicaid inpatient and outpatient trend adjustments or exemptions from reimbursement limitations for SFY 2012-13 and an estimate of the actual annualized benefit derived based on actual days and units of service provided. Reconciliation amount may be incorporated into current year (SFY 2013-14) LOAs.

10. This Letter of Agreement covers the period of July 1, 2013 through June 30, 2014 and shall be terminated June 30, 2014.

WITNESSETH:

IN WITNESS WHEREOF the parties have duly executed this Letter of Agreement on the day and year above first written.

ARPC RESOLUTION 13-1

A RESOLUTION IN SUPPORT OF THE PORT OF PORT ST. JOE

WHEREAS, the Council seeks to continue its long history of support for the development of the Port of Port St. Joe through its partnerships with the St. Joe Company and other cooperatives of both public and private investment for the growth and promotion of the deepwater port as a gateway to international trade; and

WHEREAS, the St. Joe Company continues its promotion and marketing of the Port and its unique geographic values along the Florida panhandle that provide both national and international companies strategic positioning in the global importing and exporting markets; and

WHEREAS, the St. Joe Company continues to promote the Port and its bulkheads of 1,900 linear feet at the ship channel turning basin in addition to 900 linear feet along the Gulf County Canal and all being one of the closest and most accessible U.S. deepwater ports to the Panama Canal and the completion of its expansion scheduled for 2015; and

WHEREAS, the Port of Port St. Joe also boasts over 260 acres of adjacent property to its bulkheads for immediate use as well as over 5,000 acres of land in the surrounding property to the Port for additional business development and expansion; and

WHEREAS, the Port of Port St. Joe is strategically located 21 miles from the Apalachicola Regional Airport and 57 miles from the recently opened Northwest Florida Beaches International Airport; and

WHEREAS, the Port of Port St. Joe offers direct and immediate access to the United States Gulf Intercoastal Waterway which offers a channel dimension of 12'x125' and which serves as a navigable inland waterway running approximately 1,050 miles from Carrabelle, FL to Brownville, TX, and provides access via the inland river system to locations as diverse as Chicago, Pittsburgh, Memphis, Tulsa and other major U.S. cities; and

WHEREAS, the Port of Port St. Joe offers direct and immediate rail access through the AN Railway, also owned by the St. Joe Company and operated by Genesee & Wyoming Inc., which serves the Port and connects with the CSXT Class I mainline; and

WHEREAS, the Port of Port St. Joe offers direct and immediate access to US Interstate 10 State Road 71; and

WHEREAS, the Council recognizes the emergence of the Port of Port St. Joe through its partnership with the St. Joe Company as a primary catalyst to the future business and job growth of the Apalachee Region; and

2013 AUG 21 PM 1:24
CLERK OF CIRCUIT COURT
GULF COUNTY, FLORIDA

WHEREAS, the Council recognizes the unique and abundant opportunities that will be created for this and future generations from the success that is accomplished in the development of the Port of Port St. Joe; and

NOW, THEREFORE, BE IT RESOLVED THAT THE GOVERNING BOARD OF THE APALACHEE REGIONAL PLANNING COUNCIL HEREBY pledges its continued cooperation, support and promotion of the Port of Port St. Joe and its development and marketing by the St. Joe Company; and encourages all the communities of the Apalachee Region to pledge their support and cooperation in these efforts.

UNANIMOUSLY ADOPTED BY THE APALACHEE REGIONAL PLANNING COUNCIL MEETING IN REGULAR SESSION ON JULY 25, 2013.

John S. Jones, Jr., Chairman

Charles D. Blume, Executive Director

Eglin AFB FL 32542-5495

SUBJECT: Environmental Impact Statement (EIS) for the Gulf Regional Airspace Strategy
Initiative (GRASI) Landscape Initiative

2013 AUG 21 PM 1:24
RECEIVED
CLERK OF DISTRICT COURT
GULF COUNTY, FLORIDA

1. Under the National Environmental Policy Act, the United States Air Force is preparing an EIS. The EIS will assess the potential environmental consequences associated with the GRASI Landscape Initiative (GLI). The GLI is a U.S Air Force-led partnership with the State of Florida and other state and federal agencies to expand the capacity of the region to safely host military test and training operations.
2. Under the GLI EIS, the Air Force's Proposed Action is to utilize Blackwater River State Forest (BRSF) and Tate's Hell State Forest (THSF) for establishing helicopter landing and drop zones, airstrips, and a number of different land and air training activities which currently occur on Eglin Air Force Base (AFB). The Air Force is also proposing to establish up to 12 radar, telemetry and training emitter sites throughout northwest Florida. The emitter sites would support development of a simulated integrated air defense system, which would provide unique, viable, and robust air training. The attached map (Atch 1) shows the locations of the proposed emitter sites and of BRSF and THSF.
3. This EIS addresses the actions ready for decision, namely, those described previously as the Proposed Action. A no-action alternative will also be examined that does not implement the GLI. No alternative will be selected until after EIS is complete.
4. The purpose of the Air Force's Proposed Action is to afford military operational flexibility by providing optional training space for nonhazardous training should hazardous activity preclude use of the Eglin AFB Range. This would be accomplished through two types of partnerships: 1) Air Force partnership with the State of Florida to utilize BRSF and THSF for nonhazardous testing and training activities as needed; and 2) Air Force partnership with the Florida Forest

Service and Florida Fish and Wildlife Conservation Commission for use of small, noncontiguous land areas throughout the region for placement of temporary and mobile training emitters. Training activities proposed for the BRSF and THSF would be compatible with the state forests and include nonhazardous training activities that are already conducted on Eglin Air Force Base Range. No live munitions would be used and no substantive land disturbance or construction activities would occur. The proposal does not increase the number of military training operations within the GRASI Region and shifts the training from Eglin Range to the state forests on an as-needed basis. Initially, training would occur perhaps only a few times annually and as the GLI program becomes more established training activities would increase over time.

5. The Proposed Action is needed because restricted areas over Eglin AFB create scheduling conflicts for nonhazardous training. Additional land areas in the GRASI region are necessary to enhance military training capabilities and deconflict scheduling issues. Establishing new nonhazardous training areas and placing training emitters in remote locations would also improve scheduling outcomes and reduce the demand on restricted areas.

6. The Air Force will be holding public open house scoping meetings in areas potentially impacted by the proposals. The purpose of the meetings and the scoping period is to further solicit input regarding the scope of issues to be addressed and identify environmental issues to be analyzed in depth. The attached flyer (Atch 2) advertises the scoping meetings and we would appreciate it if you would post this flyer in a public location.

7. During the scoping meetings, the Air Force will provide additional information about the GLI. Public and agency comments presented at the meetings, as well as written comments received by the Air Force during the scoping period and throughout the environmental process, will be considered in the preparation of the EIS.

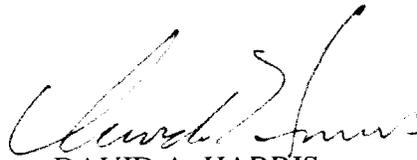

8. The Air Force's notice of intent (NOI) to prepare an EIS and hold scoping meetings was published in the Federal Register the week of August 12, 2013, and will also be published in local newspapers approximately two weeks prior to the scoping meetings.

SCOPING MEETING DATES AND LOCATIONS

Date	Location	Meeting Time
August 27, 2013	Milton Community Center, Gracie Room 5629 Byrom St. Milton, Florida	6:00 PM
August 28, 2013	Blountstown Civic Center 17773 Ne Pear St. Blountstown, Florida	6:00 PM
August 29, 2013	Apalachicola Community Center 1 Bay Ave Apalachicola, Florida	6:00 PM

9. In an effort to analyze the potential consequences of the GRASI Landscape Initiative, the Air Force or its contractor, SAIC, may contact you in their data collection efforts. Please provide your comments or information no later than 30 days from receipt of this letter, to be incorporated in the EIS. Scoping comments can be submitted to the address below or via the GLI EIS website (grasieis.leidoseemg.com) by the date indicated.

10. If you have specific questions about the proposal, we would like to hear from you. Please feel free to contact Mr. Mike Spaits, Eglin AFB Public Affairs Office, 96 TW/PA, 101 West D Avenue, Room 238, Eglin AFB, FL 32542-5499; (850) 882-2836; spaitsm@eglin.af.mil. Thank you for your assistance in this matter.

DAVID A. HARRIS
Brigadier General, USAF
Commander

2. Flyer of Scoping Meeting Locations

GRASI

Gulf Regional Airspace Strategic Initiative

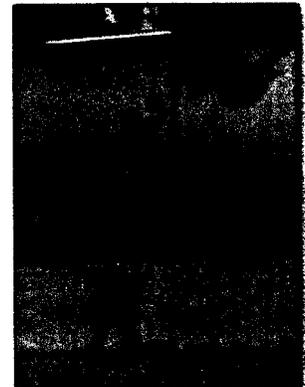

Eglin Air Force Base, Florida

The U.S. Air Force Invites You to Attend Public Scoping Meetings for the Proposed Gulf Regional Airspace Strategic Initiative (GRASI) Landscape Initiative

The U.S. Air Force is proposing to use Blackwater River and Tate's Hell State Forests (BRSF and THSF) for nonhazardous military training activities and to establish and use of up to 12 emitter sites in northwest Florida through the GRASI Landscape Initiative. The proposals would build additional regional capacity for nonhazardous training operations that can be conducted outside restricted areas. This would be accomplished through two partnerships:

- Partnership with the State of Florida to utilize BRSF and THSF for nonhazardous activities as needed. Training activities proposed for the BRSF and THSF would be compatible with the state forests and include nonhazardous training activities that are already conducted on the Eglin AFB Range. No live munitions would be used and no substantive land disturbance or construction activities would occur. The proposal does not increase the number of military training operations within the GRASI region and shifts the training from the Eglin AFB Range to the state forests on an as-needed basis. Initially, training would occur a few times annually, and training activities would increase as the GRASI Landscape Initiative program becomes more established.
- Partnership with Florida Forest Service and Florida Fish and Wildlife Conservation Commission for use of associated lands for placement of temporary and mobile training radar emitters.

By utilizing the GRASI landscape, the geographic scope of military training would more closely resemble that of actual combat scenarios. Ground units would be able to practice over a larger and more diverse area. Establishing new nonhazardous training areas and placing training emitters in remote locations would also improve training outcomes through better scheduling and reduce the competing demands on restricted areas. Pursuant to the National Environmental Policy Act, the Air Force will prepare an Environmental Impact Statement (EIS), which will assess the potential environmental consequences of the GRASI Landscape Initiative.

Public Scoping Meetings

Public scoping meetings are being held to inform the public about the proposed action and alternatives under consideration and to "scope" important issues to evaluate in the EIS. The meetings will begin at 6:00 p.m. with an open house, with an Air Force presentation starting at 6:30 p.m., followed by an opportunity for public comment at 7:00 p.m. **Your input is valuable and assists the Air Force in making more informed decisions.**

DATES/TIMES	SCOPING MEETING LOCATIONS
August 27, 2013	Milton Community Center, Gracie Room, 5629 Byrom St., Milton, Florida
August 28, 2013	Blountstown Civic Center, 17773 Ne Pear St, Blountstown, Florida
August 29, 2013	Apalachicola Community Center, 1 Bay Ave, Apalachicola, Florida

For more information or to submit written comments visit the GRASI Landscape Initiative EIS website (grasieis.leidoseemg.com) or contact: **Mr. Mike Spaits, Eglin AFB Public Affairs Office, 96 TW/PA, 101 West D Avenue, Room 238, Eglin AFB, FL 32542-5499; (850) 882-2836; spaitsm@eglin.af.mil**

The Air Force will accept comments at any time during the environmental impact analysis process. **However, to ensure the Air Force has sufficient time to consider public input in the preparation of the draft EIS, please submit comments by September 12, 2013.**

Florida Department of Transportation

RICK SCOTT
GOVERNOR

Chipley, Florida 32428

ANANTH PRASAD, P.E.
SECRETARY

August 19, 2013

The Honorable Tan Smiley, Chairman
Gulf County Board of County Commissioners, District Four
1000 Cecil G. Costin, Sr. Boulevard
Port St. Joe, FL 32456

RE: State Road (S.R.) 30 (U.S. 98) from the Gulf County Canal Bridge to south of the
S.R. 30 (U.S. 98) Realignment, Gulf County
Financial Project Identification Number: 430778-1-32-01

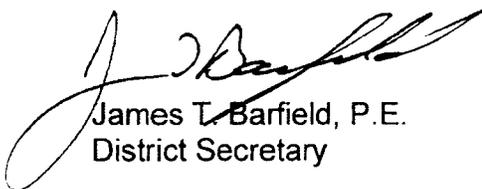

Dear Chairman Smiley:

The Florida Department of Transportation (FDOT) has retained the services of Rummel, Klepper & Kahl, LLP (RK&K) as design engineers for the above referenced roadway improvement project. The proposed project includes resurfacing of the existing roadway, miscellaneous safety improvements and placement of signs and pavement markings. The department anticipates receiving bids for construction fall 2015.

The department would like to provide you an opportunity to ask questions and submit comments concerning this project. A Phase II (60%) plan set has been sent to Don Butler, County Administrator, for review and comment. Each commissioner is being notified that the plans are in Mr. Butler's possession and is being asked to review and provide any comments about this project to him by September 4, 2013.

Should you have any questions, please contact John Glenn, P.E., FDOT Project Manager, toll- free at (888) 638-0250, extension 1459 or via email at john.glenn@dot.state.fl.us. You may also contact Tim Smith, P.E., District Consultant, Project Management Engineer, toll-free at (888) 638-0250, extension 1513, or via email at tim.smith@dot.state.fl.us.

Sincerely,

James T. Barfield, P.E.
District Secretary

FROM THE GOVERNING BODY OF THE

⇒ PROCLAMATION ⇐

WHEREAS, Herbert J. "Kuntry" Carter has pursued the focused effort to create a new concept of music known as Dixie Phonics for the expansion and development of southern music; and

WHEREAS, grassroots American Folk music has its origins in the Appalachian Mountains; and

WHEREAS, Cajun music is identified with southern Louisiana; and

WHEREAS, the form of music known as "Texas Swing" was created and developed in the state of Texas; and

WHEREAS, Bluegrass music traces its conception to rural Kentucky; and

WHEREAS, there is now a broad platform containing these musical concepts on which new artist can develop. It is agreed that these traditional southern musical identities represent a cultural exchange through music; and

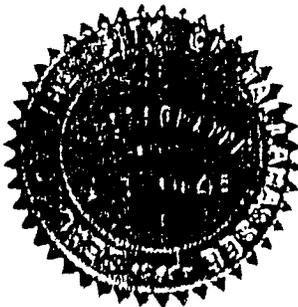

WHEREAS, due to the absence of a clearly identifiable musical style in the city of Tallahassee and the general area of north Florida and south Georgia; and

WHEREAS, it is fitting that Dixie Phonics be recognized as a cultural and artistic manifestation of music unique to Tallahassee and the north Florida area.

NOW, THEREFORE, I, Scott Maddox by the power vested in me as the Mayor of the City of Tallahassee do hereby proclaim January 1, 2000 as

DIXIE PHONICS DAY

in the City of Tallahassee, and commends Dixie Phonics and Herbert J. "Kuntry" Carter for the elevation and development of a distinct musical styling.

IN WITNESS WHEREOF I HAVE HEREUNTO SET MY HAND AND CAUSED THE SEAL OF THIS CITY TO BE AFFIXED.

Subject: Unsafe and Unhealthy 8210 Pelican Walk Lane

Date: August 12, 2013

Dear Sir:

I need your help!

I live at 8210 Pelican Walk Lane. I am writing because I have "great concern" about my family and my neighbors' back yards. They are unsafe and unhealthy. We firmly believe that the water in our back yards is coming from the holding pond at the back of our lots. When it doesn't rain for several weeks our yards would normally dry up, but as long as the holding pond has water in it, it runs down hill into our back yards. It is a swamp! Come see for yourself. We can't cut the back yard because it is to boggy we bog down and it smells.

Our other main concern is that it is so soft and wet for so long that it may cause a sink hole.

We invite you to come and see this.

Thank you for your help in this matter, it is unhealthy and unsafe. My telephone numbers are 229-220-3420 and 229-861-2809.

 Contract No: C9C05
 Description: SR 30A From SR 30 East (Cape San Blas Rd) to SR 30
 (US 98)

SUBJECT: PRECONSTRUCTION & UTILITY PRECONFERENCE NOTICE

Please be advised a Preconstruction Conference will be held at 10:00 A.M. CST, Aug 29, 2013, in connection with the construction of the above-referenced project. This conference will be held at the Panama City Operations Center, 3633 Highway 390, Panama City, Florida 32405.

It is requested your representatives include your construction superintendent, safety officer, and EEO Officer. Also, please invite all major subcontractors and your DBE subcontractors to this meeting..

The following is a link to the associated documentation, titled "Contractor Submittals" which contains twenty-one items.

<http://www.dot.state.fl.us/construction/d2files/contractorsubpackagemenu0802.htm>

There are twenty-one items of sample documentation that you shall review for the Preconstruction Conference, the first seven of which are mandatory submittals by your company to the Department at the Preconstruction Conference as they pertain to your individual company. The next thirteen sample documents shall be read and submitted if applicable or checked as acknowledged or are not applicable (n/a) on the Contractor Submittal sheet. The final item is informational and shall be checked off as being acknowledged. An official of your company shall sign the sheet on the line provided. Provide this signed sheet to the engineer at the Preconstruction Conference. Failure to

provide this signed "Contractor Submittals" form at the Preconstruction Conference may cause a cancellation of the meeting until such time that the sheet is submitted as required.

Please be advised that you are to submit a list of plan errors, omissions, or ambiguities and any other items that need to be discussed at the Preconstruction Conference to clarify the Plans and Special Provisions.

Submittal of any plan errors, omissions, or discrepancies at this time will permit the CEI adequate time to provide a timely response and thereby minimize impacts and delays to the project. If you do not know of any plan errors, omissions or discrepancies, please notify Larry Mayne at 703 E. Highway 90, Bonifay, Florida 32425.

Pursuant to Supplemental Special Provisions, the Contractor is to submit to the CEI a breakdown of allowable costs as detailed in Section 4-3.2.1. This breakdown of costs will be used in the event the Contractor files a claim for additional compensation.

Pursuant to Section 105 of the Specifications, the Contractor may elect to submit a Quality Control Manual and have it approved for State-wide use but must submit a Quality Control Plan specific to this project. The QC Plan must be submitted to the CEI no later than 21 days after award of the contract or at the preconstruction meeting, whichever is earlier.

Submit an emergency and hurricane evacuation plan.

Sincerely,

Larry Mayne
