# Gulf County Board of County Commissioners 2019-2020 Fiscal Year Final Adopted Budget

## Budget Notes & Highlights

- 1) The Board of County Commissioners (BOCC) has adopted a budget that includes decreases in ad valorem revenue due to the impact of Hurricane Michael making landfall as a Category 5 Hurricane on October 10, 2018. Countywide ad valorem taxes decreased by \$782,389, dependent special fire control districts ad valorem taxes decreased by \$43,572 and MSTU voted debt service ad valorem taxes decreased by \$19,916. These adopted budget calculations are based on the final adopted millage and the DR-420 Certification of Taxable Value forms.

The BOCC maintained the same Countywide millage rate as the prior year as did all Dependent Special Fire Control Districts. The St. Joseph Fire Control District's millage includes 0.1000 mill adopted with the FY1516 budget and designated by the BOCC to help fund district needs such as communications and equipment.

- 2) The final budget of Gulf County has been adopted at \$56,105,329.

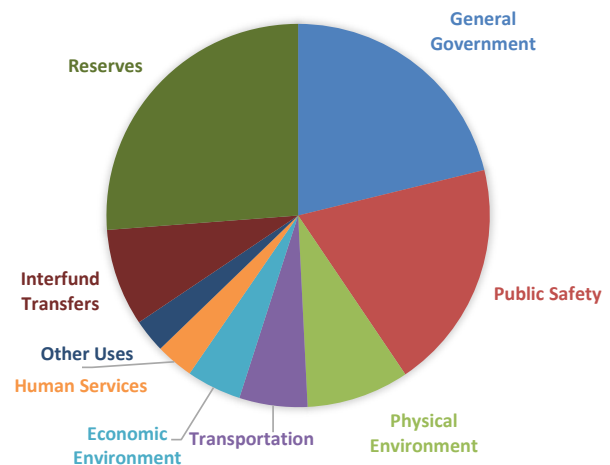

### Revenue By Source

**Budget Notes & Highlights**

- 3) Fund Presentation: A separate budget is shown for General Fund and Public Works for display purposes only. Public Works Consolidated Services Fund is reported as General Fund for all regulatory auditing and financial reporting purposes.

County Development Fund: Fund 123 was established with the FY1819 budget for the planning and budgeting of specialized projects/purchases for the development, improvement and/or growth of the county. Funding sources are to include non-ad valorem revenues that are of a temporary and/or optional nature such as dirt sales, land sales, timber sales, etc.

Hurricane Housing Recovery Program (HHRP) Fund: Fund 130 was established with the FY1920 budget in accordance with the program funding agreement for Hurricane Michael recovery funding. This funding agreement and related policies and procedures were approved by the Board of County Commissioners in September 2019.

General Parks & Recreation Fund: Fund 131 was established during FY1819 for the planning and budgeting of county park operations, developments and improvements. The County entered into a lease agreement with FEMA for a portion of Beacon Hill Park to provide temporary housing after Hurricane Michael made landfall as a Category 5 Hurricane on October 10, 2018. This lease agreement established the primary revenue source of this fund and is expected to carry forward funding to future years. All parks and recreation revenue and expenditures activities previously recorded in General Fund and Public Works have been moved to Fund 131 beginning with FY1920.

Debt Service Funds: (1) Fund 203 Public Improvement Debt Service Fund is for the 2015 Gas Tax Road Bonds. (2) Fund 204 MSTU Debt Service Fund is for the 2016 Ltd. Ad Valorem (MSTU) Bond for the voted debt service portion of the proposed beach restoration project. (3) Fund 205 Non-Ad Valorem Debt Service Fund is for the 2016 Covenant to Budget and Appropriate (CBA) Bond for the countywide non-ad valorem revenue portion of the proposed beach restoration project.

Capital Projects Fund: Fund 301 Capital Projects Fund was re-established by the BOCC with the FY2015-2016 budget. This fund is intended to move large capital expenditures and reserves out of the General and Public Works Funds and improve financial planning for capital outlay needs. This fund may also include large repair and improvement projects to building and grounds that are outside of normal operations.

Gulf County Golf Club Fund: Fund 404 was established during FY1819 with the purchase of the St. Joseph Bay Country Club and Golf Course. The County approved the purchase with TDC 5th Cent Bed Tax revenues and established an enterprise fund for the on-going operations of the Golf Club. The County also committed and additional \$300,000 of TDC 5th Cent Bed Tax to supplement the initial operation at \$100,000/year for up to three (3) years. Club operations are intended to be self-sustaining within three (3) years.

- 4) "Cash to be carried forward for working capital" is necessary to finance the FY2019-2020 budget until property tax distributions are received. The County normally receives its first distribution from the Tax Collector in the second half of November. The County would not be able to pay their employees and vendors timely without an adequate provision for working capital. Taxpayers are under no obligation to pay property taxes early.
- 5) Restricted reserves in the General Fund include various restricted/designated funds that are not otherwise budgeted for operations. This includes funds such as the Landfill Escrow required by the State of Florida; the 2006 Gas Tax Bond Reserve released in 2015; the unobligated portion of the Beach Restoration Project funds from FY2015-2016; restricted court revenues; etc.
- 6) The Health Department budget includes private donations of \$23,461.
- 7) The County's revenues from 1st Local Option Fuel Tax, Constitutional Fuel Tax, and County Fuel Tax are pledged for payment of the 2015 Gas Tax Revenue Refunding Bonds through 2035. The 2015 Series Bond released the County from the \$1 million bond reserve required under the 2006 Series. These funds were transferred to General Fund and are included in the budget as Restricted Cash Carried Forward and Restricted Reserves. The reserve requirements of the 2015 Series Bond have been fulfilled with the purchase of applicable bond insurance.

**Budget Notes & Highlights**

- 8) All funds remaining in the CDBG Raffield's Fund were loaned to The Port Authority in FY2010-2011. This note was modified in August 2014 to secure the note with the Arizona Chemical Site and provide additional funding of \$120,000, funded by economic development funds within the Industrial Park Fund. This modification included the original note and accrued interest (\$217,452.67), plus new funding of \$120,000 paid in two equal installments in August 2014 and August 2015. The total Mortgage Note of \$337,452.67 carries a 3% per annum interest rate and is due and payable on July 21, 2024, with annual payments of \$10,000.00 beginning August 21, 2017.
