FRESENIUS UPDATE

County Administrator Hammond stated that E.D.C. Director McKnight had an update, referring to a letter on page 3 of the Information packet from Fresenius. E.D.C. Director McKnight appeared before the Board to provide an update regarding Fresenius dialysis care program in Gulf County. He reported that, after three (3) years of operation, 50% of the program's patients are Franklin County residents with 4% coming from Bay County. E.D.C. Director McKnight discussed the need to contact Franklin County next year to renegotiate its financial contribution. Chairman Quinn discussed the dialysis clinic's closure and the County's efforts to reopen a center, thanking Fresenius for providing dialysis services in Gulf County.

GRANT APPLICATION – FLOATING DRYDOCK PROJECT

E.D.C. Director McKnight then discussed the need to apply for FloridaCommerce Rural Infrastructure Funds (request found on page 1 of the Administrative Update and Report packet) <copy provided to the Clerk for the record> for the Floating Dry Dock, in the amount of $1.5 million. Commissioner Pridgeon made the motion to approve. Commissioner McCroan seconded the motion. Chairman Quinn called for public comment. There being no public comment, the motion passed unanimously.

TRAFFIC FLOW – EASTERN SHIPBUILDING

County Administrator Hammond thanked staff for rerouting the traffic flow for Eastern Shipbuilding employees exiting the shipyard. E.D.C. Director McKnight noted that he has not received any further complaints since the rerouting.

CHANGE ORDER #1 – 2025 ST. JOSEPH PENINSULA BEACH

Upon recommendation by Assistant County Administrator Smallwood, Commissioner McCroan made the motion to approve Change Order #1 with Weeks Marine, Inc. <pages 2-3 of the packet> (Bid #2425-23 * St. Joseph Peninsula Beach Renourishment & Coastal Structures Project 2025). Commissioner Pridgeon seconded the motion. Chairman Quinn called for public comment. There being none, the motion passed 4-0, with Commissioner Husband abstaining due to business conflict under the CEI Services for this project <FORM 8B on file with the Clerk>.

ADVERTISE TO RECEIVE SEALED BIDS – PURCHASE COUNTY PROPERTY

County Administrator Hammond requested Board approval to advertise to receive sealed bids to sell the Industrial Park Building, noting the current tenant has the right of first refusal or meet/exceed received bids. He reported that the lease agreement with Skyborne will be extended for an additional ninety (90) days. Discussion followed. Commissioner Husband motioned to sell the property and go into that contract. After discussion, Commissioner Pridgeon seconded the motion. Chairman Quinn called for public comment. There being no public comment, the motion passed 4-1, with Commissioner McLemore voting no.

STATUS UPDATE – ELEVATOR

Assistant Public Works Director Hart provided an update regarding the elevator repairs at the Gulf County Courthouse. County Administrator Hammond thanked Clerk Terry and Judge McFarland for their assistance in securing the State to fund these repairs.

SCHEDULE MEETING – BUDGET

County Administrator Hammond reported that the budget meeting is scheduled for 9:00 a.m., E.T. on July 21, 2026. He discussed the indigent care 1/2 cent sales tax set to sunset in a few more years, noting it may need to be repurposed for supplementing the loss of ad valorem taxes. Commissioner Pridgeon discussed a phased approach to discontinue certain local services. Discussion followed.

STATUS UPDATE – DISTRICT II

Commissioner Husband discussed plans to submit a grant application for the Old Gulf County Courthouse in Wewahitchka, Public Works working to install an additional pipe on Old Dairy Farm Road, renovations at Overstreet Park, and ordering equipment for Beacon Hill Veterans Memorial Park. He stated that Stone Mill Creek Fire Department is waiting for the final budget for a grant. Commissioner Husband encouraged the public to visit the Emergency Management website for preparation supply list this hurricane season, wishing everyone a safe 4th of July.

STATUS UPDATE – DISTRICT III

Commissioner Pridgeon thanked the Sheriff for the patrol with regards to the newly adopted Golf Cart Ordinance (#2026-04), requesting that the Sheriff work with the City Police with regards to the City limits at WindMark. Discussion followed regarding a golf cart incident in WindMark on old U.S. Highway 98. Commissioner Pridgeon thanked Public Works for the cleanup work at the old Arizona Chemical site, suggesting the Board rename this location. He inquired about the County's next steps with regards to the Back Beach Road (Gulf Coast Parkway) Project. County Attorney Novak discussed attending the next City Commission meeting to discuss the matter. Discussion followed. Chairman Quinn requested that the letter be resubmitted in lieu of County Attorney Novak attending the City Commission meeting. Discussion followed regarding the DRI and the Back Beach Road. Commissioner Pridgeon discussed the testing in the Bay and receiving smell complaints from Highland View residents. Discussion followed. Commissioner Pridgeon recognized his grandchildren attending today's Board meeting.

STATUS UPDATE – DISTRICT V

Commissioner McCroan requested an update regarding the Breakwaters Project (Berm) at the Cape. Assistant County Administrator Smallwood reported that there is a total of eight (8) breakwaters (berms), noting the contractor is constructing the second. Commissioner McCroan noted the new water plant should be online in a few weeks. County Administrator Hammond stated the goal is to be operational by July 1, 2026. Commissioner McCroan thanked Public Works for the cleanup at the old Arizona Chemical site. He also discussed his concerns regarding the Back Beach Road project.

STATUS UPDATE – DISTRICT IV

Chairman Quinn thanked IT Department for installing the sound system at the Washington Recreational Center and Public Works with plans to install the lighting. He also thanked Public Works for the installation of a pole barn, cleaning up at the old Arizona Chemical site and thanks to T.D.C. for keeping the parks clean.

QUASI-JUDICIAL HEARING – REVIEW & CONSIDERATION OF P.D.R.B. APPLICATION

SMALL SCALE MAP AMENDMENT * PAMELA GRICE * PARCEL ID #02857-000R

Planner Crane introduced a small-scale map amendment from Pamela Grice * Parcel ID #02857-000R, requesting a land use change from residential to mixed commercial/ residential. Chairman Quinn called anyone wishing to speak to step forward. Being no one from the public stepped forward, Chairman Quinn called for a motion to waive Quasi. Commissioner McCroan so moved. Commissioner Husband seconded the motion. Chairman Quinn called for public comment. There being none, the motion passed unanimously. Planner Crane stated the P.D.R.B. voted, by 4-0 vote, to approve this small-scale land use amendment. Upon inquiry by Commissioner Pridgeon regarding input from surrounding neighbors, Planner Crane discussed the concerns from neighbors. Discussion followed. Commissioner Pridgeon discussed his concerns with regards to voting without hearing from the surrounding neighbors, requesting that the Board table this matter until next month. Commissioner Husband discussed the request being a land use change, noting that a site plan does not have to be provided at this time. Planner Crane discussed the development order process. Discussion followed. Chairman Quinn called for a motion to waive the formal reading. Commissioner McCroan so moved. Commissioner Husband seconded the motion. Chairman Quinn called for public comment. There being none, the motion passed unanimously. Discussion followed. Chairman Quinn called for a motion to move forward with it, with the recommendation that when the DO (development order) comes in, then Planner Crane will bring it back before the Board. Upon inquiry by Commissioner Husband, County Attorney Novak discussed Planner Crane's authority and discretion, noting today is solely a request to change to mixed commercial/residential. After further discussion, Chairman Quinn inquired what was the recommendation from the P.D.R.B. Planner Crane stated the P.D.R.B. recommendation was a 4-0 vote to approve this small-scale land use change. Commissioner Husband motioned to approve the land use change from residential to mixed commercial/residential and require that the applicant at the development order stage go before the P.D.R.B. Commissioner McCroan seconded the motion. Chairman Quinn called for public comment. There being no public comment, the motion passed 4-0, with Commissioner McLemore abstaining due to family involvement with the applicant <FORM 8B on file with Clerk>.

COUNTY PARK – 15 ACRES

County Administrator Hammond reported that the County is closing on a fifteen (15) acre parcel near the railroad tracks for a County park, noting Public Works will soon be clearing the land.

HOLIDAY COURSE – JULY 6TH

County Administrator Hammond noted that Governor Ron DeSantis had granted State employees holiday leave on July 6, 2026, inquiring whether the Board would like to offer the same to County employees. Commissioners McLemore and Pridgeon were in support of offering the additional day. Upon inquiry by County Administrator Hammond, Clerk Terry stated July 6, 2026 is not a court holiday, noting that Court will be held on Monday. After further discussion, Commissioner McLemore made the motion. Chairman Quinn noted the motion is to close the Courthouse on July 6, 2026. Commissioner Pridgeon seconded the motion. Chairman Quinn called for public comment. There being none, the motion passed unanimously.

PUBLIC INFORMATION OFFICER – SHEALY

Assistant County Administrator Smallwood introduced to the Board, Katie Shealy as the new Public Information Officer for Gulf County. Public Information Officer Shealy appeared before the Board to introduce herself, noting she is excited to serve the citizens of Gulf County. Members of the Board welcomed Public Information Officer Shealy.

QUASI-JUDICIAL HEARING – REVIEW & CONSIDERATION OF P.D.R.B. APPLICATION

SMALL SCALE MAP AMENDMENT * PAMELA GRICE * PARCEL ID #02857-000R

Carmen McLemore appeared before the Board on behalf of his niece, Pam Grice, to discuss his concerns regarding the Board's decision regarding the land use change, noting that requiring a development order to be approved by the Board will set the applicant back. He requested that the Board reconsider. Planner Crane discussed normal procedure would be that the development order would be approved in the Planning Department and not go before the Board for consideration. Discussion followed. Commissioner Pridgeon discussed meeting with the neighbors this week to ensure they have no issues with this land use change. After further discussion, County Attorney Novak discussed adjourning in a month to allow Commissioner Pridgeon to speak with the adjacent property owners or passing the land use change, which the Board did. Planner Crane noted part of the motion was to bring the development order back before the P.D.R.B. and Board. Discussion followed. Commissioner Husband made the motion allow Commissioner Pridgeon to speak to the adjacent property owners and if there are any issues that it go before the P.D.R.B. and the Board at the next month's meeting. Commissioner McCroan seconded the motion with the stipulation that Commissioner Pridgeon meet with the adjacent property owner. Discussion followed. Mr. McLemore requested clarification of the motion. Commissioner Pridgeon stated on Thursday, he will reach out to the adjacent property owner and if the property owner has no objections to the land use change, then he will draft a letter to Planner Crane to proceed. Mr. McLemore discussed his concerns regarding equipment order and delivery times. Chairman Quinn called for public comment. There being none, the motion passed 4-0, with Commissioner McLemore abstaining due to family involvement with the applicant <FORM 8B on file with the Clerk>.

BACK BEACH ROAD – DRI

Sarah Hodgson of St. Joe Beach appeared before the Board to inquire when the Board would take further action regarding the Back Beach Road Project, noting that County Attorney Novak has already submitted a letter concerning the matter to the City of Port St. Joe. County Attorney Novak reported that the City Commission acknowledged the letter at a previous City meeting he attended. Upon inquiry by Chairman Quinn regarding next steps, County Attorney Novak discussed the Board authorizing him to pursue legal action by filing an injunction against the City of Port St. Joe to enforce the DRI requirement. He also discussed continued efforts to engage in dialogue with the City. Chairman Quinn asked whether the Board could hold a workshop with the City of Port St. Joe to discuss the DRI. Upon confirmation by County Attorney Novak, Chairman Quinn recommended scheduling a workshop. Discussion followed. County Attorney Novak noted he will include an invitation to attend a workshop in his correspondence to the City of Port St. Joe.

There being no further business, and upon motion by Commissioner Husband, second by Commissioner McCroan, and unanimous vote, the meeting did then adjourn at 10:27 a.m., E.T.

SPECIAL MEETING

PORT ST. JOE, FLORIDA

The Gulf County Board of County Commissioners met this date in special session with the following members present: Chairman Sandy Quinn, Jr., Vice Chairman Phil McCroan, and Commissioners Christopher McLemore, Lloyd Jack Husband, III, and Randy Pridgeon.

Others present were: County Attorney Jeremy Novak, Clerk James M. Terry, Chief Deputy Leanna Cooper, County Administrator Michael L. Hammond, County Assistant Administrator Clay Smallwood, III, Deputy Administrator Kari Summers, Building Official/County Planner Doug Crane, Emergency Management Director/Fire Coordinator Matt Herring, Gulf County E.M.S. Director Jody Daniels, Gulf County Extension Service Director Ray Bodrey, G.I.S. Coordinator Clay Kennedy, Grant Administrator Erin Kennedy, Grant Administrator Laura Beech-Armstrong, Human Resource Director Kaci Rhodes, Office of Management & Budget Director Sherry Herring, Mosquito Control Director Austin Horton, Property Appraiser Mitch Burke, Property Appraiser IT Tech Dennis Barfield, Jr., Public Information Officer Katie Shealy, Public Works Director Mark Cothran, Assistant Public Works Director Raymond Hart, Sheriff Mike Harrison, Tax Collector Ashley Forehand, and T.D.C. Executive Director Blake Rish.

Chairman Quinn called the meeting to order at 9:00 a.m., E.T.

Chairman Quinn opened the meeting with prayer and then led in the Pledge of Allegiance to the Flag.

2026-2027 BUDGET

OMB Director Herring reported the initial balance budget presented to the Board is a working document to assist staff to prepare for the proposed tentative budget, noting there will be some expected changes due to insurance cost changes, estimates from various sources, revenue estimates, State revenue estimates, grant estimates, cash carry-forward estimates, revised estimates for various services, and revised cost allocations. She reported that the proposed mill for County-wide is 5.600 based on the current proposed millage rate and 0.5000 for each Fire Control Districts; stating there is no levy for the MSTUs (Gulfside, Interior & Bayside). OMB Director Herring noted the deadline to certify levies to the Property Appraiser is August 4, 2026. County Administrator Hammond recommended that the Board keep the millage the same, noting for the Board to go above the roll-back rate a super majority vote is required. He then reported that health insurance bids (#2526-25) will be received in August 2026. Upon inquiry by County Administrator Hammond regarding the retirement rate changes, OMB Director Herring discussed including the retirement rate changes to the proposed budget. County Administrator Hammond noted the State brought back a portion of COLA for high-risk positions; stating the County Jail, Gulf County Sheriff's Office, and E.M.S. budgets had an increase. He

then provided an overview of the proposed budget for the Board to review. Upon discussion by County Administrator Hammond regarding the proposed budget changes to E.M.S., E.M.S. Director Daniels discussed the increase in call volumes. County Administrator Hammond stated it is projected the County will lose $1.7 million on E.M.S. this year, not including County tax dollars used to purchase a new ambulance. Commissioner Pridgeon requested E.M.S. Director Daniels to draft a 3-5 (three to five) year master plan, discussing his concerns with the growing population. E.M.S. Director Daniels noted he does have a long-term plan, but it all depends on funding. Discussion followed regarding staffing and transports. After discussion, County Administrator Hammond then concluded the overall review of the proposed budget.

GULF COUNTY PARKS

Commissioner Pridgeon discussed parks for next year and the possibility of funding each district by percentage based on the park size. OMB Director Herring noted the purpose of Fund 131 is for regular parks operations to pay utilities. Discussion followed. Upon inquiry by Commissioner McLemore, OMB Director Herring noted the F.R.D.A.P. (Florida Recreation Development Assistant Program) grant has not been funded in the past two (2) years. Discussion followed.

CITY OF PORT ST. JOE FUNDING REQUEST

Commissioner Pridgeon discussed the request from the City of Port St. Joe. County Administrator Hammond noted the request was for $1.182 million. Commissioner Pridgeon discussed his concerns with WindMark, noting the City of Port St. Joe Police Department does need assistance. Upon inquiry by Commissioner Pridgeon, Clerk Terry discussed the increase in the WindMark area, noting the 50-70 houses on his street with only 10-15% are full-time residents. Commissioner Pridgeon discussed his desire to assist with funding patrol for the City Police Department. OMB Director Herring stated if Commissioner Pridgeon is referring to T.D.C dollars reimbursement, then it must be documented and meet a reimbursable allowable expenditure, noting it will also take funding from somewhere else. Discussion followed. Commissioner McCroan asked about the increase in property values within the City of Port St. Joe. Property Appraiser Burke appeared before the Board to discuss the 8.8% increase in the City of Port St. Joe; noting this City is projecting a .5 mill increase. After further discussion regarding the City and County law enforcement working together in the WindMark area, Commissioner Pridgeon noted the City of Port St. Joe is also asking for $50,000.00 for the stage at George Core Park. County Administrator Hammond noted the County did not fund the stage, stating the County gives both Municipalities $50,000.00. He reported the City of Port St. Joe requested $300,000.00 for restrooms at Core Park, $200,00.00 for ballpark improvements, $100,000.00 for an additional pickleball court at Frank Pate Park, and $300,000.00 for the stage, noting with all these requests, the County funded $50,000.00. Commissioner McCroan noted the County did fund the concession stand at 10th Street Park in the middle of the year. County Administrator Hammond stated the County funded the City of Port St. Joe $50,000.00 for general parks, fireworks $30,000.00, $111,000.00 for CRA (Community Redevelopment Agency), and $50,000.00 for the community match fund. Commissioner McCroan noted the County funded $60,000.00 for the soccer fields for the school. County Administrator Hammond discussed the City of Port St. Joe's millage

rate, noting their property value has almost tripled since Hurricane Michael. He stated staff is proposing the City of Port St. Joe receive $241,764.00 and $61,400.00 to the City of Wewahitchka, noting the County fronted the City of Wewahitchka $50,000.00 for the lighting project at T.L. James Park.

CAPITAL OUTLAY RESERVES FOR FUTURE PROJECTS
County Administrator Hammond requested Board approval of the Capital Outlay Reserves for Future Projects, noting this plan goes through FY2031-32 and includes the fire departments. Discussion followed. Commissioner Pridgeon made the motion. Commissioner Husband seconded the motion. Chairman Quinn called for public comment. There being no public comment, the motion passed unanimously.

AMENDMENT #3
County Administrator Hammond discussed the County being proactive in educating the public with regards to the November ballot. He stated that tax is the price for civilized society, noting each local County, each State has to decide how much government. County Administrator Hammond noted there are certain services that individuals cannot provide for themselves, providing examples as: law enforcement, jail, E.M.S., roads, drainage, water and sewer, fire protection, mosquito control, and etc. He discussed his concerns regarding Amendment #3, providing potential cuts if this rule passes: A.R.P.C. dues, repair and stakeholder Courthouse security, search and rescue, extension, Tupelo Soil and Water, Tri-county Aquiculture Center, Big Ben transportation, E.D.C., Veterans' services, animal control, humane society, senior citizens, Health Department, libraries, CareerSource Summer Program, mosquito control, park improvements, ½ cent sales tax currently being used for indigent care, and various other programs the County provides. Commissioner Pridgeon discussed his concerns regarding Amendment #3. Discussion followed. Pat Hardman, of Cape San Blas appeared before the Board to discuss her support with County Administrator Hammond in the need to provide information to the public; requesting a list of what was stated so that she can disperse this information to the public. Discussion followed regarding releasing the list and providing online.

BUDGET REQUEST – BAYSAVERS
County Administrator Hammond discussed a $50,000.00 request that did not make it into the proposed budget.

AMENDMENT #3
Commissioner Pridgeon requested verbiage be added to the list before being released to the public to clarify the non-essential cut options. County Administrator Hammond discussed working with staff on the language before releasing the list to the public. Discussion followed. Property Appraiser Burke reported that under Amendment #3, the homestead exemption would increase to $150,000.00 in January 2027 and to $250,000.00 in 2028, resulting in a projected $1.4 million loss in ad valorem revenue for FY2027-28. After discussion, Property Appraiser Burke noted the second year the loss is projected to be $2.297 million for FY2028-29. County Administrator Hammond discussed his concerns with the number of property owners that will be applying for homestead

exemption before the deadline. Property Appraiser Burke noted his office is already receiving calls. Discussion followed.

BUDGET REQUEST – BAYSAVERS

County Administrator Hammond noted Baysavers has submitted a funding request for $50,000.00, stating his understanding is that the City of Port St. Joe will match the County's contribution. He reported this request was not placed in the proposed budget. Chairman Quinn stated he has no objection to the request as long as the County has the funding, noting Baysavers is also requesting funds from Franklin County and other entities. Commissioner Pridgeon expressed his support in the funding request. Commissioner Husband inquired whether TDC funds could be used being that it concerns the Bay, which affects tourism. County Attorney Novak discussed reviewing the language and will report his findings to the Board at the next meeting. County Administrator Hammond noted the funding request from Baysavers will be included in the next proposed budget book.

County Administrator Hammond then requested that the Board set the maximum tentative millage for the General Fund and Fire Districts. Commissioner Husband motioned to keep the millage rate at 5.6 mills. Commissioner McCroan seconded the motion for discussion. After discussion, Chairman Quinn called for public comment. There being none, the motion passed unanimously. County Administrator Hammond then requested that the Board set the Fire Districts at .5 mills each. Commissioner McCroan so moved. Commissioner Pridgeon seconded the motion. Chairman Quinn called for public comment. There being no public comment, the motion passed unanimously.

County Administrator Hammond recommended to the Board that the first Budget Hearing be held on September 9, 2026, at 5:01 p.m., E.T., offering September 8, 2026, as an alternate. After discussion by members of the Board, Chairman Quinn called for a motion to set the first hearing for September 8, 2026. Commissioner McCroan so moved. Commissioner McLemore seconded the motion. Chairman Quinn called for public comment. There being none, the motion passed unanimously. County Administrator Hammond provided suggested hearing dates for the second hearing for the Board to consider. Chairman Quinn called for a motion to set the date for September 22, 2026, at 5:01 p.m., E.T. Commissioner McLemore so moved. Commissioner Husband seconded the motion. Chairman Quinn called for public comment. There being no public comment, the motion passed unanimously.

ADMINISTRATIVE REPORT & UPDATE

County Administrator Hammond noted the regular Board meeting will be held on Monday, July 27, 2026.

Chairman Quinn noted that County Administrator Hammond will celebrate turning 52 tomorrow. Staff then sang "Happy Birthday" to County Administrator Hammond.

There being no further business, and upon motion by Commissioner Husband, second by Commissioner Pridgeon, and unanimous vote, the meeting did then adjourn at 10:56 a.m., E.T.

Human Resource Director Rhodes noted in the Information packet is a flyer, reporting a blood drive will be held on August 5, 2026.

STATUS UPDATE – LITIGATIONS

County Attorney Novak provided a status update on pending litigations, noting that the Court denied the lawsuit filed against the County with regards to the Indian Pass Campground. He reported that the lawsuit concerning the County's Comprehensive Plan remains pending and that staff is preparing a motion to dismiss. County Attorney Novak discussed the litigation filed by The Serenoa Group regarding an annexation challenge, reporting the petitioner is appealing the Courts ruling. County Administrator Hammond discussed the rule regarding no RVs (recreational vehicles) in V zones, noting the recent aftermath of the lates tropical storm (Bertha). Commissioner McCroan discussed the RV Park (Indian Pass Campground) underwater due to the tropical storm.

BACK BEACH ROAD – WINDMARK DRI

Commissioner Pridgeon discussed seeking a judge's interpretation of the DRI. County Attorney Novak discussed reaching out to the City of Port St. Joe to schedule a meeting to discuss the WindMark DRI Gulf to Bay Highway (Back Beach Road), reading the response letter from the City of Port St. Joe regarding the invite. He then read a portion of a City Ordinance regarding the WindMark DRI. Discussion followed. Upon inquiry by Commissioner Pridgeon, County Attorney Novak stated next step would be to receive authorization from this Board to send a formal notice to the City of Port St. Joe absent a meeting to engage in dialogue, the County would be forced to seek a restraining order to stop the issuance of City building permits. Discussion followed. Chairman Quinn inquired if County Attorney Novak could have a conversation with the City of Port St. Joe's legal counsel. County Attorney Novak stated he will reach out and report back to the Board. Commissioner McLemore discussed his concerns regarding the matter. Commissioner Husband proposed inviting representatives from St. Joe Company, Deseret Ranches, D.O.T., City of Port St. Joe, and the County to participate in a meeting and inquired whether the City would be amenable to doing so. County Attorney Novak discussed he, Administration and a member of the Board to attend a City Commission meeting for dialogue, requesting authorization from the Board to move forward. Discussion followed. Commissioner McCroan noted he has no objection to County Attorney Novak attending a City Commission meeting to present to the City Commissioners. to appoint Commissioner Pridgeon as the delegate on behalf of the Board. Commissioner McCroan made the motion. Commissioner McLemore seconded the motion. Commissioner McCroan included in his motion to approve County Attorney Novak to attend the next City Commission meeting. Upon inquiry by Chairman Quinn, Commissioner McLemore noted his second stands. Chairman Quinn called for public comment. There being no public comment, the motion passed unanimously.

HOUSING PROJECT – KNOWLES AVENUE

County Administrator Hammond discussed the County's work with a group (Citizens of Gulf County), noting that the County is interested only in a plan that provides workforce housing. He stated that the housing project (on Knowles Avenue) was intended to provide housing for workers such as law enforcement, teachers, nurses, and correctional officers, reporting that under the plan proposed by Citizens of Gulf County, families in these occupations would earn too much income to qualify. County Administrator Hammond proposed to the Board to establish a plan similar to what the County did with H.H.R.P. where the County will run the program through the S.H.I.P. department, noting the County will put up the land, hold a lottery for the applicants, and the County will offer a land forgive over a ten (10) year period. After discussion by members of the Board, County Administrator Hammond noted the current rule is that the applicant must live and work in Gulf County. Discussion followed regarding obtaining a letter from the employer as proof of employment of the applicant as eligibility. County Administrator Hammond discussed bringing a proposal outlining the program to the Board for consideration at their August meeting. The Board had no objection.

DRAINAGE DITCH – LANDS LANDING

County Administrator Hammond discussed completing a legal search to confirm the property is owned by the County, reporting that the land was conveyed to the County in the 1970's. He stated the County needs to replace the pipe at Lands Landing. County Administrator Hammond request Board approval to complete this project to be paid from road bond money (bank loan), noting the project is projected to cost $10,000.00-$12,000.00. Commissioner McLemore discussed the drainage ditch at Lands Landing, noting the importance of getting the pipe replaced. Commissioner McLemore made the motion to fix and repair the pipe. Commissioner Husband seconded the motion. Chairman Quinn called for public comment. There being no public comment, the motion passed unanimously.

SWEARING-IN – NOVEMBER MEETING

County Administrator Hammond noted for the swearing-in to be held at the November meeting, the Board will take a group picture for framing.

STATUS REPORT – DISTRICT II

Commissioner Husband provided a status report regarding various projects within District II, noting the F.R.D.A.P. grant was not funded this year for the Stone Mill Creek playground. He reported the grant was submitted for the Old Gulf County Courthouse, and the County was awarded a grant for the design and permitting for the Overstreet Boat Ramp. Commissioner Husband discussed the award of grant funds for the design of

Shorty Kemp Road, a new pavilion at Buckhorn Cemetery, the gun range, work at Stone Mill Creek, and at Overstreet Park.

WORKSHOP SCHEDULE – RENTAL POLICY

Commissioner Pridgeon requested that a workshop be scheduled to discuss rental policies. Discussion followed. Commissioner Pridgeon motioned to hold a Workshop on September 8, 2026, at 3:30 p.m., E.T. Commissioner McCroan seconded the motion. Chairman Quinn called for public comment. There being none, the motion passed unanimously.

COMMUNITY GARDENS – COUNTY EXTENSION AGENT

Commissioner Pridgeon discussed his desire for the County Extension to explore community gardens, noting grants are available. County Extension Service Director Bodrey appeared before the Board to offer training, noting the Master Gardener volunteer group can also offer training. Commissioner Pridgeon requested that County Extension Services Director Bodrey have some grant opportunities and plans by the fall for the Board to review.

STATUS REPORT – COUNTY EXTENSION OFFICE

County Extension Services Director Bodrey provided members of the Board with flyers <copy provided to the Clerk for the record> regarding the UF/IFAS Extension for the Board to review, noting the flyers pertain information regarding the available youth programs. He discussed the upcoming scallop season kickoff event happening on August 14, 2026.

GRANT WRITER – GULF COUNTY

Commissioner Pridgeon reported that a grant writer will be visiting Eastern Shipbuilding and the Maritime Academy site to explore funding opportunities for potential facility development and apprenticeship programs.

TRIUMPH MEETING – GULF COUNTY

Commissioner Pridgeon noted the August Triumph meeting will be held in Gulf County in the Board Room.

STATUS UPDATE – IOLA LANDING

Commissioner McLemore requested an update regarding Iola Landing. Assistant County Administrator Smallwood reported the County received an F.B.I.P. (Florida Boating Improvement Program) grant for the design and permitting to replace the two ramps at Iola Landing and improve the parking area.

FEE WAIVER – HONEYVILLE COMMUNITY CENTER

Commissioner McLemore requested Board approval to waive the rental fee for use of the Honeyville Community Center for a pastor appreciation celebration on September 20, 2026. After discussion by members of the Board in support, Commissioner McLemore made a motion to waive the fee for the pastor appreciation. Commissioner Husband seconded the motion. Chairman Quinn called for public comment. There being no public comment, the motion passed unanimously.

EROSION – BREAKWATER PROJECT

Commissioner McCroan discussed last week's storm (T.S. Bertha), noting even with the spot erosion at the Cape the breakwaters (berm) did well. Assistant County Administrator Smallwood noted the contractor has three (3) more berms to construct out of the eight (8). Commissioner McCroan thanked Public Works for the cleanup at the beaches after the storm.

TEMPORARY MORATORIUM – DATA CENTERS

Commissioner McCroan discussed data centers, noting the resources required to operate a data center. He discussed the Board drafting a policy on data centers. Commissioner Pridgeon discussed reviewing surrounding Counties' policy regarding the subject. Commissioner McCroan discussed placing a temporary moratorium on data centers until a policy can be drafted. He then made the motion. Commissioner Pridgeon seconded the motion for discussion. After discussion, Commissioner McCroan agreed to set a one (1) year timeframe. Chairman Quinn called for public comment. There being none, the motion passed 4-1, with Commissioner Husband voting no. County Administrator Hammond noted the topic was discussed during conference, reporting that Duke is looking for nuclear facilities to run these data centers. He inquired if the desire of the Board is to hold a workshop to discuss the matter further, noting he would obtain additional information with regards to the topic and report back to the Board.

PARKS – DISTRICT V

Commissioner McCroan discussed moving forward with Jones Homestead Park, noting Public Works will be removing some trees. He then inquired if the pickleball courts could be funded from Salinas Park funds. Discussion followed.

STATUS UPDATE – DISTRICT IV

Upon inquiry by Chairman Quinn, Assistant County Administrator Smallwood noted he will provide a status update regarding Avenue F to the Chairman. Chairman Quinn inquired about the eligibility requirements for S.H.I.P. rehabilitation assistance for a twenty-year-old home, noting that an applicant had been advised by A.R.P.C. that they could not apply. OMB Director Herring stated that she was unaware of the reported ineligibility; however, if the residence is a mobile home manufactured before 1984, then the County cannot rehabilitate or offer purchase assistant due to the structure not meeting the Florida Building Code requirements. Discussion followed. Chairman Quinn discussed the mosquito spraying, inquiring if the spray trucks have GPS capabilities. Mosquito Control Director Horton discussed obtaining the address from the Chairman to review the subject matter further.

RENOVATION – PSJ LIBRARY

Chairman Quinn discussed the sewage backup at the Port St. Joe Library, noting the carpet has been cleaned several times. He noted that the library would like to hold a fundraiser to raise funds to replace all the carpet. Chairman Quinn discussed his concerns regarding the sewer and the need for new carpeting in a County-owned building. Discussion followed. Commissioner Pridgeon discussed using the inmates to move the furniture and removal of the old carpet. Lisa Pridgeon of WindMark appeared before the

Board to discuss the cost to move the books and the fundraising efforts. Commissioner Husband inquired if the sewage issue has been resolved. After discussion by Assistant Public Works Director Hart regarding the sewage, Commissioner Husband discussed replacing the sewer, noting any low laying area needs to be replaced before installing new carpet. County Administrator Hammond reported the problem includes the County Jail, E.M.S., and around the Courthouse, requesting permission from the Board to obtain a quote before agreeing to fix it. Commissioner McCroan agreed. Commissioner Pridgeon motioned to do a room, by squares for a room. Commissioner McCroan seconded the motion. Chairman Quinn noted the County will buy the biggest room. Commissioner McCroan agreed. Chairman Quinn called for public comment. There being none, the motion passed unanimously.

REPORT – S.H.I.P. FUNDING

Chairman Quinn requested that OMB Director Herring provide a printout of the funding for S.H.I.P. to members of the Board for review. OMB Director Herring reported that the County is operating under funding from a few years, noting that the County receives $350,000.00 per year. She stated the County has enough funding to assist 14 applications. Discussion followed regarding the new procedure policy with awarding S.H.I.P. bids. County Administrator Hammond discussed including the bid awards in the Information packet for Board review. Chairman Quinn had no objection.

QUASI-JUDICIAL HEARING – REVIEW & CONSIDERATION OF P.D.R.B. APPLICATION

FINAL PLAN AMENDMENT – PINE VIEW ESTATES / GARRISON PROPERTY HOLDINGS, LLC

Planner Crane introduced a final plan amendment from Garrison Property Holdings, LLC located for Pine View Estates * Parcel ID #03019-070R through #03019-090R, requesting the amendment to Pine View Estates Plat for a 5' (five-foot) setback on the sides and increase to 40% on the impervious area. He noted at the P.D.R.B. meeting the discussion was to stay within 30% of the entire development. Planner Crane stated the P.D.R.B.'s recommendation, by a 4-0 vote, is to approve the final plat amendment, as follows: 1) allow each lot to have 5' (five-foot) setbacks on side; and 2) 30% impervious area for the entire property, not each individual lot. Chairman Quinn called for anyone wishing to speak to step forward. As no one stepped forward to speak, Chairman Quinn then called for a motion to waive Quasi-Judicial Hearing. Commissioner McCroan so moved. Commissioner Husband seconded the motion. Chairman Quinn called for public comment. There being no public comment, the motion passed unanimously. Planner Crane discussed the design of the homes proposed for this site, which prompted the plat amendment. Discussion followed regarding calculation of the impervious ratio per lot. Commissioner McCroan discussed his support in granting the setback request and increased impervious specifically for this subdivision, noting that the County had requested site-built homes rather than pole barns and RVs (recreational vehicles) in this neighborhood. Discussion followed. Chairman Quinn called for a motion to waive the formal reading. Commissioner McCroan so moved. Commissioner Husband seconded the motion. Chairman Quinn called for public comment. There being none, the motion passed unanimously. Commissioner McLemore discussed his concerns. Commissioner

McCroan motioned to approve the setback. He noted he is not in support of the impervious request, but in support of the setback for this specific subdivision holding at 36%. Commissioner McCroan stated this does not change the County's LDR, noting this motion is only for this subdivision. After discussion, Commissioner Husband seconded the motion for discussion. After further discussion, Commissioner McCroan discussed a balance percentage across the lots for this one subdivision. Chairman Quinn called for public comment. There being no public comment, the motion passed 4-1, with Commissioner McLemore voting no.

LAND DEVELOPMENT REGULATIONS AMENDMENT

Planner Crane noted this is a discussion to possibly implement a land development regulations amendment to offer a possible alternative for stormwater and impervious area for future subdivisions. He discussed flag-lot subdivisions that lack stormwater systems, roads, and other infrastructure, as well as a possible incentive to encourage developers to install proper stormwater infrastructure, which would help the County address flooding issues and eliminate flag lot subdivisions. Planner Crane noted the recommendation from P.D.R.B. was to allow 40% on lots that have a design stormwater that meets Northwest Florida Water Management District guidelines, contingent upon not exceeding 30% for the overall development. County Administrator Hammond discussed the County's concern is stormwater, noting the County currently does not offer credit for pools. He discussed offering half-credit for pools while keeping the overall limit at 30%, discussing his concerns regarding flag lots. Discussion followed. County Administrator Hammond noted that, although pools were once considered a luxury, pools have become increasingly common, reporting that many properties, particularly in St. Joe Beach, would not meet the current requirements. Discussion followed. Commissioner Husband discussed referring to the Board's concerns to the P.D.R.B. and requested a recommendation at next month's Board meeting. Commissioner McCroan discussed his concerns regarding making the Board aware of the proposed development. County Attorney Novak inquired whether Commissioner McCroan was seeking a legal opinion regarding the implementation of a moratorium pending a recommendation from the P.D.R.B. Commissioner McCroan confirmed. Commissioner Husband discussed his support in requiring a PUD (planned unit development), noting it should be noted in the development order application. Planner Crane stated that there is a current application under review that the property owner has no plans for development at this time. Commissioner McCroan made a motion for the County do to an emergency order to put it in a PUD so the County will know. Commissioner Husband inquired clarification of the motion is to place a moratorium for RV (recreational vehicle) parks subdivision. County Administrator Hammond suggested not a moratorium, but to require a PUD. Commissioner McCroan stated that it will have to come before the Board for approval. Planner Crane noted that every subdivision has covenants and restrictions, stating that the Board could require developers to include provisions in their covenants and restrictions prohibiting RVs unless specifically asked for RVs. Discussion followed. Commissioner McCroan stated his motion for RVs. Commissioner Husband stated the motion is going forward an RV park subdivision/pole barn subdivision must be a PUD. Commissioner McCroan stated that is his motion. Commissioner Husband seconded the motion. County Attorney Novak noted it is a restriction until advertised and hearings held,

noting applications will not be accepted until legislation is introduced and advertised and Public Hearing held for emergency adoption. Commissioner McCroan stated only for this narrow scope. Commissioner Husband stated his second stands. Chairman Quinn called for public comment. There being no public comment, the motion passed unanimously. Planner Crane inquired if the Board wishes to defer the LDR amendment topic back to the P.D.R.B. for recommendations. Chairman Quinn stated yes. Discussion followed regarding the impervious area. County Administrator Hammond discussed the need to incentivize developers to retain and manage stormwater on their properties.

The meeting did then recess at 11:13 a.m., E.T.

The meeting did reconvene at 11:20 a.m., E.T.

HOLD HARMLESS AGREEMENT – 208 7TH STREET

County Administrator Hammond discussed assisting the City of Port St. Joe with demolition of abandoned houses, primarily on the northside. He stated that the County would perform the demolition work at no cost, while the City of Port St. Joe would cover the tipping fee. County Administrator Hammond discussed his concerns regarding out-of-state investors purchasing properties with the expectation that the County will demolish existing structures, noting this was not the intended purpose and that the county should discontinue providing these services. He stated the property owner should hire a contractor to perform the demolition. Chairman Quinn thanked Public Works for the assist in cleaning up the community, noting he does not believe that the County should participate when the property owner is an investor. Commissioner Pridgeon inquired whether current policy requires Board approval, noting these requests should come before the Board. Discussion followed. County Administrator Hammond discussed the two current locations, one on Palm Blvd. and the other location is located on 7th Street. Commissioner Husband inquired if the language in the proposed hold harmless agreement included reimbursement cost to the County for services provided. County Administrator Hammond noted that this verbiage refers to a possible lawsuit, reporting the County has not received any compensation. He stated that there is a cost associated with cleaning properties and those costs should be borne by the property owner. Chairman Quinn discussed his desire to continue to assist but collect reimbursement from the property owner. Discussion followed. County Administrator Hammond asked for a motion to deny the request. Commissioner Pridgeon made the motion. Commissioner McLemore seconded the motion. Chairman Quinn called for public comment. There being no public comment, the motion passed unanimously.

SPLASH PAD – WEWAHITCHKA

Connie Williams of Wewahitchka appeared before the Board to request that the County construct a splash pad for the children in Wewahitchka, noting Honeyville Park would be an ideal location. She reported that the standard-sized splash pad can accommodate six to twelve children, noting the cost ranges from $110,000.00 to $120,000.00. Ms. Williams discussed two splash pad options for the Board to consider. The Board took no action.

NO PASSING STRIPPING – HIGHWAY 30A

Jim Smolenski of Port St. Joe appeared before the Board to discuss his concerns regarding a traffic issue, noting 30A between the golf course road and Charlie Kirk Way there are no passing lines. Commissioner McCroan discussed reviewing the matter with Public Works and contacting Webber Infrastructure. Upon inquiry by Mr. Smolenski, Commissioner McCroan noted that Webber does maintain that road (Highway 30A).

ALLOCATION OF FUNDS – T.D.C. MONEY

County Attorney Novak noted the Board requested him to review the use of funds for allocating T.D.C. monies, stating in his review of the Statute what is intended for that study it is extreme stretch and could be challenged in the allocation of those funds from tourist development. He reported the goal is 'heads in beds'. County Administrator Hammond stated, unless the Board directs him differently, he will then find another source and place the expenditure in the proposed budget booklet for the Board to review.

ELEVATOR UPDATE – COURTHOUSE

Assistant Public Works Director Hart reported that the elevator repairs at the Courthouse should be complete, noting the County is waiting on State inspection.

PAVILLION – BUCKHORN CEMETERY

Assistant Public Works Director Hart discussed working on the pavilion at Buckhorn Cemetery in Wewahitchka.

BUILDING – FUELING DEPOT

Assistant Public Works Director Hart stated the Clerk will cut a check today for the deposit for the fuel tank building at Public Works fueling depot.

There being no further business, and upon motion by Commissioner Husband, second by Commissioner McCroan, and unanimous vote, the meeting did then adjourn at 11:44 a.m., E.T.

SUBJECT: MRD ASSOCIATES TASK ORDER #19 CHANGE ORDER #01

I am requesting Board approval for the chairman to sign a change order to task order #19 with MRD Associates. This task order is for the construction phase services for the Beach Nourishment and Coastal Structures Project. The change order accounts for reallocation of funding between line items and a reduction of $4,060 due to sea turtle nest relocation not being needed. This changes the total task order amount to $895,708.

38% of the task order was paid between multiple DEP BEACH Grants; the amount remaining was paid out of TDC funding.

SUBJECT: RESTORE ACT - MYIP AMENDMENT #06 ADOPTION

I am requesting the Board to approve and adopt the MYIP (Multi-Year Implementation Plan) AMENDMENT #06 for Restore Act Direct Component Funding.

Public comment period was from August 20, 2026, to November 17, 2026.

One comment that was received during the initial public comment period was verbalized by the Board during their regularly scheduled BOCC meeting on 9/22/26. The comment pertained to amending the Airport Complex Construction Project and adding the Airport Complex Land Acquisition to the MYIP Amendment; this resulted in revising the MYIP amendment and extending the public comment period.

Two public comments were received via email and did not pertain to the projects being amended. The proposed revised amendment pertained to the following projects: Water System Improvements, Airport Complex Pre-Construction, Airport Complex Construction, Wastewater Infrastructure System, and Airport Land Acquisition. The first public comment received on 10/23/26 pertained to adding a workforce/job creation project. The second public comment received on 11/12/26 pertained to adding projects related to mitigating light pollution and runoff into the Bay.

See attached letter and emailed public comments to be submitted to U.S. Treasury.

RE: Gulf County MYIP Amendment-06

To Whom It May Concern:

On behalf of the Gulf County Board of County Commissioners (BOCC),

The Gulf County Board of County Commissioners (BOCC) reviewed and approved the proposed project list for the MYIP Amendment-06 on May 26, 2026, and September 22, 2026. The proposed projects were developed based on public and stakeholder input in the initial MYIP process as well as matching projects proposed for the Restore Act and current needs for our area.

The Gulf County MYIP Amendment-06 was made available for public review and comment from August 20, 2026, until November 17, 2026. A revised proposal was made available on October 1, 2026. Please see attached emails for the public comments that were received.

The Gulf County BOCC accepted the MYIP Amendment-06, including each activity in the plan, and voted to approve it after consideration of public comments and meaningful input from the public after a 96-day public comment period. The Gulf County Board of County Commissioners voted to approve the MYIP Amendment-06 at the November 24, 2026, meeting.

Please accept this letter as Gulf County BOCC formally adopting the MYIP Amendment-06.

Should you have any questions or concerns, please contact Sherry Herring, Office of Management and Budget Director, at the following e-mail address: sherring@gulfcounty-fl.gov.

Sincerely,

Sandy Quinn, Jr.

Subject: Public comment / MYIP idea — Gulf County workforce + idle-well economic reuse (RESTORE Direct Component)

Ms. Kennedy and Mr. Smallwood,

Ray Grantham here, RaysnFlow L.L.C. (Blountstown). Mic Barber is on Cc; best phone is (850) 274-3430.

Gulf County holds a live RESTORE Direct Component window (MYIP Amendment #06_revised public comment through November 17, 2026). We are not asking Treasury to fund an LLC. We are asking Gulf County, as the eligible applicant, to consider a workforce / job-creation idea for this amendment and/or the next MYIP cycle.

Funding checklist — please confirm or point us:

1. How a local business + Chipola College concept can be considered for a future MYIP amendment under workforce development / job creation.
2. Accept this note as input during the Amendment #06_revised comment period (through Nov 17, 2026) and/or for the next planning cycle.
3. A short meeting (phone or Port St. Joe) on aligning Bear Creek / Gulf County idle-well heat-reuse workforce training with county priorities.
4. Whether the county prefers Chipola College as lead education partner, with RaysnFlow as industry partner.
5. Any open project-submission process beyond MYIP comment.
6. Reply path: Ray at (850) 274-3430; Mic on Cc.

Public facts only (DATA):
- Bear Creek 34-4 #1, Florida oil and gas permit 1393, Gulf County.
- Florida DEP well 553 reported temperature about 285 F (public DEP figure).

Angle: Gulf Coast economic reuse of idle oilfield assets, with Chipola students in the workforce lane. No proprietary tech brief in this note. Deepwater Horizon settlement Trust Fund context is why we are writing your RESTORE desk — not a health claim and not a direct claim on BP.

Thank you for the work you do for Gulf County.

Subject: RESTORE comment

To the Gulf County Board of County Commissioners and RESTORE Act Program Administrator,

Please accept this public comment regarding the RESTORE Act Direct Component Multiyear Implementation Plan (MYIP) Amendment #06_revised. As a local resident & business owner, I want to emphasize that Gulf County's economy relies heavily on tourism and our natural resources are the single greatest driver bringing visitors to our area. Protecting our environment is directly tied to protecting our economic future. While I am not opposed to growth, I believe it must be sustainable and carefully balanced with environmental stewardship.

I request that funding allocations and project prioritizations within this and future amendments actively address the following critical environmental impacts:

- **Mitigating Light Pollution and Preserving Dark Skies:** Rapid growth is leading to an increase in bright, unshielded lighting that contributes heavily to light pollution. This directly threatens the dark skies that make our coastal communities unique. I urge the county to prioritize projects, infrastructure designs or community retrofits that utilize dark-sky compliant lighting to protect local wildlife such as nesting sea turtles and preserve the natural nighttime environment that tourists & locals value.
- **Addressing Freshwater and Pollution Runoff into the Bay:** I am deeply concerned about the canal system dumping nutrient-rich freshwater, pollution, and contaminants directly into St. Joseph Bay. This unnatural runoff disrupts the delicate marine ecosystem and contributes to devastating red tide events and other water quality issues. RESTORE Act funds should be robustly directed toward comprehensive water quality monitoring, stormwater management infrastructure, and natural filtration projects that intercept and treat this runoff before it damages our bay and local fisheries.

Sustainable growth must prioritize the natural assets that sustain us. I urge the Commission to ensure that Amendment #06 heavily weights project selections toward mitigating these specific ecological pressures, ensuring the long-term health of both our environment and our tourism-dependent economy.

Thank you for your time and consideration of these comments.

Sincerely,

Aimee VanGelder

Re: GCTDC Media Billing Schedule Fiscal Year 2026-27

By this memorandum, I am requesting the BOCC or County Administrator approve the attached monthly billing schedule for fiscal year 2026-27, at a total cost not to exceed $320,000.00, as budgeted.

This schedule is for sole-source paid, owned, earned and shared media and has been developed at the start of the year. The individual monthly cost per sole-source medium may vary monthly due to such factors as market demand, media program performance, trending, acts of nature, etc.

MEMORANDUM

TO: GULF COUNTY BOARD OF COUNTY COMMISSIONERS

FROM: JAMES M. TERRY, CLERK

DATE: OCTOBER 27, 2026

RE: REEMPLOYMENT TAX REIMBRSEMENT INVOICE – MARQUITA THOMPKINS

91

I am submitting the attached invoice from Florida Department of Revenue Reemployment Assistance Program regarding benefits paid to the above-named former Clerk of Court employee. A protest has been submitted but as a Reimbursable Employer the invoice must be paid. Constitutional Officers do not budget for reemployment benefits; this has traditionally been paid for by the County as the source of funding for all unemployment claims. By this memo, I am requesting approval and authorization to pay this claim from County Budgeted funds.

Reporting Period Beginning	: 07/01/2026
Reporting Period Ending	: 09/30/2026
Mailed on or before	: 10/27/2026

The total amount due must be paid within 30 days of the "Mailed on or before" date shown above. If payment is late, interest will be charged.

Benefits are charged in proportion to wages paid by each employer during the claimant's base period. Your share must be reimbursed to the Unemployment Compensation Trust Fund. Benefits are charged according to the date the benefits are paid, not according to the date of the claimed week of unemployment. A claimant has one year from the filing date of the claim in which to receive available benefits. Because of the definition of base period it is possible for an employer to be invoiced for benefits based on wages paid two and one-half years prior to the date of the charge. Once benefits are paid, the fund must be reimbursed regardless of the success of any protest or appeal. There are no provisions in the Reemployment Assistance Program Law (Chapter 443, Florida Statutes) to relieve an employer of the requirement to reimburse for benefits charged.

This invoice is conclusive and binding for all purposes of the Florida Reemployment Assistance Program Law unless a written request for reconsideration is submitted within twenty (20) days from the "Mailed on or before" date shown above. Your request must state the basis for your protest to the charge and must be in writing directed to:

Florida Department of Commerce
Reemployment Assistance Program
Employer Protest Unit
PO Box Drawer 5250
Tallahassee, FL 32314-5250

You may also **protest online by logging in to your employer portal at https://connect.myflorida.com/Employer/Core/Login.ASPX**. Go to the Employer's home page and click on the "Benefit Charge Protest" link. For questions, contact the Reemployment Assistance Program at 1-877-846-8770.
